A Professional Contractor Will Have & Provide...

- **A permanent place of business**
Permanent address, telephone number, tax ID number, etc.
- **Financial Liability**
You should be satisfied that the contractor will be there when you need him – how long have they been in business?
- **Proof of Insurance**
Ask for a certificate mailed to you directly from the insurance company.
- **Bonded & Licensed where required**
Check the requirements of your state.
- **References**
Check with previous customers – complete satisfaction of workmanship.

- **Warranties**
Check labor and material warranties. Does the company stand behind their work?
- **List of completed Projects**
Ask for project name, owner and date of completion.
